Dr. James Wang,

Union Building,  
TAIPEH.

Dear Dr. Wang,

Thank you very much for sparing time to see Dr. Lee and me when we called on you last week.

With regard to our purchase of the Picker X-ray machine from you, I should be glad if you would send a representative of the Enco Company down here to help instal the machine. We shall be glad to pay his expenses.

I would like to enquire whether there is a suitable X-ray tube to serve as a spare tube for this machine. If there is, we would like to buy one.

Early this year T.W. \$ 12,000 was sent to you from Tainan in the name of this hospital as an advance payment (deposit) for the purchase of the 100 M.A. X-ray machine. It happens that we have not been able to find the receipt from you that you have received this money. I should be very grateful if you would confirm that this money was received by you.

With many thanks,

Yours sincerely,

D. Landsborough, M.D.  
(Acting Medical Superintendent).

Dear Dr. Landsborough:

In response to your letter of December 2, I like herewith to inform you of the following:

1. Following your request for the Enco Company to send a technician to assist your hospital in installing an X-ray machine, we have phoned the said company in this respect.
2. We have made a recommendation for the sale of a suitable X-ray tube to your hospital.
3. The amount of NT\$12,000 (~~twelve thousand~~) was received by CUSA as an advance payment for the purchase of one unit of an X-ray machine (100 MA). As soon as full payment is made by your hospital of its cost, a receipt will be duly sent you.

Yours sincerely,

Dear Dr. Wang,

Thank you very much for your letter, ref. J.C.RR-53-6493 in answer to various questions. I note with pleasure that you have made a recommendation for the sale of a spare tube for the Picker X-ray machine just now bought from you by our hospital.

I also note that the N.T. \$12,000 paid you earlier this year was safely received.

A representative from Enco Company came here two days ago to help set up the X-ray machine. It is now working well. Many thanks indeed for arranging this.

I now wish to make an urgent purchase from the J.C.R.R. as follows:-

Intensifying screen, Par speed,							
	Front and back	8"	x	10"	....	1 set	
"	"	"	"	" 10"	x 12"	....	1 set
"	"	"	"	" 11"	x 14"	....	2 sets

(1 set = 1 front and 1 back)

I would be glad if you could arrange for the shipment of the above as soon as possible.

With many thanks for your help,

Yours sincerely,

D. Landsborough  
Acting Medical Superintendent

P.S. I should be glad to know as soon as you have X-ray films again for sale.

Dear Dr. Wang,

In anticipation of the next consignment of X-ray films which the J.C.R.R. may put on sale for hospitals in Formosa, I would like to make the following advance order:-

8" x 10" . . . . .	1/2 doz. boxes	(1 box = 25 films?)
10" x 12" . . . . .	2 doz.	"
11" x 14" . . . . .	2 doz.	"

Dr. Kenneth Lee will be going to Taipei next week (December 28th) and I have asked him to call on you and collect the Picker 15 M.A. X-ray tube which you have reserved for us, making payment at the same time. Recently we ordered intensifying screens and if these are ready, Dr. Lee will also collect them and pay for them.

With many thanks for all your help,

Mr. John Javrotsky,  
MSA / JCRR Medical Supply Officer  
CUSA / MSA / JCRR Medical Supply Depot,  
Taipei.

Dear Mr. Javrotsky,

You may remember Dr. Kenneth Lee who came with me to your depot about a month ago. We have since then bought one of your 15 MA. X-ray machine and are very pleased with it.

I should be very glad if you would allow Dr. Lee representing our hospital, to inspect one of the 100 MA. X-ray machines, as we are very interested in it. We realise, ofcourse, that these machines are not yet ~~ted~~ ready for distribution.

Would you kindly allow Dr. Lee to look around the depot to see if there is anything else our hospital needs?

Thank you for your kindness,

Yours sincerely,
